INTRODUCTION

This Guidebook aims to clarify the specificities associated with the Hospitality Education Awards 2022, namely regarding the preparation and submission of applications, as well as the evaluation process.

The awards aim to recognize the best in the field of Hospitality education and training. They aim to contribute to the dignification of professionals and their professions in this area and, also, to stimulate the quality of training in response to market needs

É neste contexto que a Associação Fórum Turismo, em conjunto com o Turismo de Portugal, I.P, a Associação Nacional de Escolas Profissionais (ANESPO), o Instituto de Emprego e Formação Profissional (IEFP) e a Rede de Instituições Públicas do Ensino Superior com Cursos na área do Turismo (RIPTUR) e em colaboração com a Organização Mundial de Turismo (OMT), efetua a distinção anual que pretende ser uma ponte entre o mundo académico e o mundo profissional.

It is in this context that Associação Fórum Turismo, with Turismo de Portugal, IP, the Associação Nacional de Escolas Profissionais (ANESPO), o Instituto de Emprego e Formação Profissional (IEFP) and the Rede de Instituições Públicas do Ensino Superior com Cursos na área do Turismo (RIPTUR) and in collaboration with Organização Mundial de Turismo (OMT), makes this annual distinction that aims to be a bridge between the academic world and the professional world.

Hospitality Education Awards award eight different categories: Best Educational Project; Best Innovation and Development Project (I&D); Best Teaching Career in Higher Education; Best Teaching Career in Vocational Education; Best Stakeholder; Best Young Career; Best Teacher / Trainer in Digital and the Fórum Turismo Award.

Each category has specific evaluation criteria, so they must be analyzed individually, following this document.

ARTICLES

1ST ARTICLE. SUBMISSION OF APPLICATIONS

- A) Applications for the Hospitality Education Awards 2022, must be submitted online at www.hea.pt, after registering on the website.
- B) All applications must be submitted between 10/05/2022 and 30/06/2022. Applications submitted after this date will be automatically excluded.

The application submission process takes place in the following phases:

- 1) Access and registration at www.hea.pt.
- 2) Submission of the intended online application in accordance with the current regulation and delivery of all necessary and requested documentation by the selected category, within the deadline.
- 3) E-mail notification conforming application submission.
- 4) After confirming the application submission, the candidate can change/update his application until the submission deadline on 30/06/2022.
- 5) After confirming the application submission, the candidate can change/update his application until the submission deadline on 30/06/2022.

It should be noted that the content of the responses will not be evaluated, but the technical fulfillment of the application (eg: unanswered criteria and / or suitability of the application to the selected category, among others). If it is recognized, by the competent authority, that the application needs change in these compliant, the candidate will be given a period of 48 hours to rectify his application, after the given notification. The entity will only notify the candidate about the change once, so after that, it is the candidate's entire responsibility, whether to comply with it. The change in the application suggested by the organization is voluntary, however, depending on the level of non-compliance, failure to change it may result in your total disqualification.

2ND ARTICLE. EVALUATION AND CLASSIFICATION CRITERIA FOR SUBMITTED APPLICATIONS

The submitted applications will be evaluated in two phases. In a first phase, they will be evaluated by the jury that will classify them using a numerical scale of 1-10 points for each of the evaluation criteria.

Each of the criteria is evaluated using the 10-point scale, with only whole numbers (without decimal ratings).

The evaluation will focus on:

SPECIFIC EVALUATION - according to the criteria defined for each of the categories.

GENERAL EVALUATION - synthetic / direct and organized; creativity and presentation.

After the classification of all applications, the finalists of each category will be identified. The Best Young Career category is the only one that initiates a second evaluation phase. In this second phase, the sum of points awarded by the jury is added to a vote open to the public to decide the winner of the category. To this end, the finalists will be placed on the website of the Hospitality Education Awards (www.hea.pt), where their applications will be published and put to the public's vote for 2 weeks. Each person can only vote once. The most voted candidacy during this period will be the big winner. All category winners will be announced at a single moment, online and/or in person with a date and place to be announced.

3RD ARTICLE. EVALUATION OF APPLICATIONS

The process of evaluating applications by the jury is divided into two phases:

- 1) First, a quantitative assessment will be made, by the sum of points attributed to the criteria corresponding to the submitted application, in order to identify the 5 finalists by category.
- 2) Second, a qualitative evaluation will be made of the 5 finalists, obtained in the quantitative evaluation, with the purpose of selecting the winners of each category.

The public's evaluation of applications:

- 1) After the jury has defined the finalists, the public will be able to vote becoming a responsible party in defining the winners. This vote will be available for **2 weeks** on the official website of the Hospitality Education Awards.

4TH ARTICLE. AWARDS DELIVERY

The award delivery process takes place in the following phases:

- 1) Notification of the 5 finalists per category via email of their condition and invitation to attend the official delivery of the prizes.
- 2) Official announcement of the 5 finalists of each category of the Hospitality Education Awards 2022, to the general public and other candidates, through the official channels of the Hospitality Education Awards.
- 3) Official delivery of the Hospitality Education Awards on a location and date to be announced.

Important considerations:

- ☹️ Only the ratings obtained by the five finalist applications will be officially known.
- ☹️ Participants who have applied and wish to know their final classification, should contact the organizing entity, Associação Fórum Turismo, directly via email geral@forumturismo21.org and request that it be sent.

5TH ARTICLE. SCHEDULE OF ACTIVITIES

May 10nd - Opening of applications

June 30th - Closing of applications

July 1st to 31st - Period of quantitative evaluation of the jury to obtain the 5 finalists

August 1st to August 31st - Standby of the project

September 1st to 10th - Announcement of finalists in digital event and start of 2 weeks of public voting

September* - Official delivery of the Hospitality Education Awards 2022 at a date and place to be announced.

**This date may change.*

6TH ARTICLE. CONFIDENTIALITY OF APPLICATIONS

All applications are confidential until the jury identifies the five finalists selected for each category.

From the moment they are identified and notified, the name of the candidate, school and project representing the finalist will be made available and identified on the website www.hea.pt.

The same happens after the identification and announcement of the winners.

The scores of submitted applications will only be available depending on the sending of a formal request by email, by their authors.

7TH ARTICLE. EXCLUSION CONDITIONS

The organization of the Hospitality Education Awards reserves the right to exclude applications that:

- A)** Who fail to comply with the submission deadline defined in this regulation.
- B)** Where the submitted application is not completed.
- C)** That have no impact on national territory and do not reflect the direct or indirect benefit of the tourism and hotel sector.
- D)** That do not fall into the categories to which they are candidates, even after notification of the need to correct the situation.

In addition, all candidates that won categories in previous editions will only be able to submit new applications to the same categories, after a minimum period of 3 years. Failure to comply with this condition will also lead to the exclusion of applications.

8TH ARTICLE. JURY CONSTITUTION

The evaluation of the applications will be carried out by a panel of independent, national evaluators, of recognized merit and suitability, constituted for this purpose.

These will be representatives of Turismo de Portugal, IP, of the Associação Nacional de Escolas Profissionais (ANESPO), of the Instituto de Emprego e Formação Profissional (IEFP) and of the Rede de Instituições Públicas do Ensino Superior com Cursos na área do Turismo (RIPTUR).

Each application will be individually evaluated by each member of the panel.

The name of the external evaluators will not be made public.

9TH ARTICLE. CATEGORIES AND TO WHOM THEY ARE INTENDED

The application in the various categories of the Hospitality Education Awards can be made in two ways, by direct application, the teacher and/or the project promoter makes his individual application or the project that he/she integrates, or by nomination, the application of the teacher and/or promoter of the project is made by someone who nominates the teacher and/or the project that he/she considers deserving of recognition from the Hospitality Education Awards. The application for the category of "Best Stakeholder" is mandatorily made through direct application, that is, by an active employee in the organization.

Regardless of whether it is a direct application or by appointment, note below which audience the different categories are intended for.

- 1) Best Educational Project** - Schools, teachers and trainers can apply for this category directly and/or by nomination.
- 2) Best Innovation and Development (I&D) Project** - Schools, teachers and trainers can apply for this category directly and/or by nomination.
- 3) Best Teaching Career in Higher Education** - This category can apply directly and/or by nomination, teachers and trainers in higher education.
- 4) Best Teaching Career in Vocational Education** - This category can be applied directly and/or by nomination, teachers and trainers of professional education.

- 5) **Best Stakeholder** - Stakeholders, companies, associations and entities can apply directly to this category.
- 6) **Fórum Turismo Award** - This prize is directly awarded by the jury, so it does not require any submission.
- 7) **Best Young Career** - Professionals up to the age of 35 (inclusive) who have completed at least one academic or professional degree in the field of tourism or hospitality can apply directly to this category and / or by appointment.
- 8) **Best Teacher / Trainer in Digital** - This category can apply directly and / or by appointment, teachers and trainers in vocational or higher education.

DEFINITION OF CATEGORIES

BEST EDUCATIONAL PROJECT

This award aims to recognize projects that have contributed to the improvement of the educational process in educational institutions and the academic community in which they operate, namely:

- ☺ Projects that encourage the improvement of pedagogical conditions with a view to valuing and interest the student.
- ☺ Projects that create proximity and innovation in the relationship between the teacher and the student.
- ☺ Projects that update pedagogical practices to the present/future of the training and educational process.
- ☺ Projects that encourage social responsibility in the academic context.

Applications for the category «Best Educational Project» **are eligible** for all applications submitted, that directly or by nomination, apply for an educational project. By project, we mean an idea and/or project plan with current practical implementation in the academic community.

GENERAL EVALUATION - Weighting of 20%

(Criteria to be applied to the complementary project presentation document)

- 🏆 Synthetic and direct / Organization (0-10)
- 🏆 Creativity and presentation (0-10)

PUBLIC ASSESSMENT

After the Jury identifies the five finalists, they will be submitted to the public for evaluation through an online vote. This vote will dictate the big winner of the "BEST YOUNG CAREER" category. (For more information on the public vote in Article 3).

BEST TEACHER / TRAINER IN DIGITAL *

The main objective of this award is to recognize the teacher/trainer who best adapted the teaching and learning methodologies, prepared for face-to-face teaching/training, for mixed or distance models, supported by Information and Communication Technologies (ICT), driven by the pandemic (especially in the academic years of 19/20 and 20/21).

This recognition aims to honor the effort and dedication of all professionals in education and training in hospitality and tourism, who have adapted to the needs of totally remote or mixed education.

To be able to apply for this award it is necessary to:

- 🏆 To be a trainer or teacher in tourism or hotel teaching
- 🏆 Having worked in pandemic times (2020/2021)
- 🏆 Present evidence of the methodologies adopted

Applications for the category "Best Teacher / Trainer on Digital" **are eligible** for all applications submitted directly or by appointment to a professor in the tourism sector. Only applications from full-time teachers are accepted.

The evaluation will generally focus on:

- © In the methodologies and strategies implemented by the teacher in the educational practices used in digital.

(This is an experimental category that arises in response to the circumstances of the pandemic crisis. It will be a test that will allow you to decide whether or not to evolve as a regular category in the future.*

The evaluation criteria:

APPLICATION IDENTIFICATION

- 1) Name of the candidate
- 2) Photograph of the candidate
- 3) Candidate's date of birth
- 4) Candidate's email
- 5) Candidate's phone number
- 6) Name of the education and / or training institution you currently represent
- 7) Qualifications and academic path
- 8) Submission of the candidate's CURRICULUM VITAE

SPECIFIC EVALUATION - 80% weighting

- ☹️ Description of the methodology used (0-10) - *(explain, in detail, the methodologies adopted in educational practices)*
- ☹️ Description of the differentiation in educational practices with presentation of evidence (0-10) - *(document and / or digital content - including evidence to support the educational practices implemented: links, demonstrations or other evidence that can prove success and differentiation implemented methodology)*
- ☹️ Diversity of technological tools used (0-10) - *(explain, which are the technological tools adopted by the teacher, listing their advantages)*
- ☹️ Identification of collaborative projects carried out with students (0-10) - *(detailed description of collaborative projects carried out with students - this description must include the name of the project, the teaching entity and a brief explanation of it)*
- ☹️ Motivation strategies (0-10) - *(explain, in detail, which strategies are used to motivate students and how they fostered the relationship between the teacher and the student during the school term)*
- ☹️ Optimization of the evaluation process (0-10) - *(explain what are the pedagogical conditions and practices used to optimize the students' evaluation process)*
- ☹️ Complementary documents (0-10) - *(a document in pdf format - including evidence to support your career: awards, certificates, testimonies, distinctions received, letters of recommendation, among others)*

GENERAL EVALUATION - Weighting of 20%

(Criteria to be applied to the complementary project presentation document)

- ☹️ Synthetic and direct / Organization (0-10)
- ☹️ Creativity and presentation (0-10)

FÓRUM TURISMO AWARD

This award is attributed to a teaching professional (not active) who has distinguished himself for his extraordinary professional career. There are no nominations for this category, but nominations.

Each jury member is asked to identify a candidate for the category. Then, and together, the jury meets and qualitatively evaluates the winner. In the event of a tie, the Associação Fórum Turismo will have the casting vote in identifying the winner.

NOTES

Situations omitted in this regulation will be evaluated and resolved by the Jury and/or competent organization entity.
